

HURRICANE RELIEF VOLUNTEERS NEEDED

HEART 9/11 - NYC DISTRICT COUNCIL OF CARPENTERS VOLUNTEER SIGN-UP FORM

The **New York City District Council of Carpenters** is teaming up with **HEART 9/11** to provide relief to areas hit by both Hurricane Harvey and Hurricane Irma. We are looking for members to volunteer their time and services to help rebuild homes and community establishments that have been devastated by these hurricanes.*

Airfare and lodging will be provided at no cost to the volunteers while they are away on relief efforts. Due to the ongoing assessment of damages and updates with recovery needs, a specific date has not yet been determined. Volunteers can expect to be sent to either Texas or Florida starting after October 15th. Both areas have been hit extremely hard and need our help equally so we ask that volunteers be flexible with the location they are asked to help with. If any volunteers should have a location preference, please indicate in the form below and we will try to accommodate.

Please fill out the form below and we encourage you to pass along the information to become involved with this opportunity.

*These forms are being submitted to NYC District Council of Carpenters and HEART 9/11
